## Murray Bridge Cods Newsletter

### SEASON END

That's a wrap for our 2022-2023 Swimming Season.

We would like to congratulate everyone on a great swimming season and thank everyone for their hard work and dedication in the final event of the Endurance Challenge. It was a pleasure to witness such an amazing display of sportsmanship. We are immensely grateful to all our members that have contributed in making this another successful swimming season.

Thanks to all the coaches and parents who continue to give their time and assistance at our training sessions, meets and carnivals. Without your help, we would not be able to run the club this successfully.

We will be working hard in the off season getting ready for the 2023/2024 season which will commence November for an even bigger and better season, we look forward to welcoming you back. Stay tuned on our socials and website for updates.

Enjoy your break and best wishes from the Murray Bridge Cods Swimming Club.
