Attendance

Unfortunately, there was an instance where no participants showed up for a lesson, which resulted in precious time being wasted for our dedicated coach. To avoid any further inconvenience like this, we kindly request that you inform us in advance if you are unable to attend a training session.

To make this process quick and easy, all it takes is a simple message on Messenger. Just drop us a quick note if you won't be able to make it, and we'll make sure to accommodate accordingly.

Inclement Weather Policy

If forecast temperature is above 40C for Murray Bridge a light supervised training will still be available. If there is lightning activity in the area, there will be a lightning status made at 4:30pm on the Facebook page or a message sent through messenger.
